Ready for the toughest jobs.

- Robust design, technologies and driver assistance systems.
- More practical, economical, and innovative than ever before.
- Outstanding in its class.

The perfect workplace.

- Available with an ergoComfort/ergoActive suspension seat*
- A variety of storage solutions with a wide range of different ports and connections
- Available with a heated leather multi-function steering wheel*
- Available with a 230V socket (300w)*

Excellent loadability.

- High load compartment of up to 2,196mm
- Wide side sliding door with an opening width of 1,311mm
- LED load compartment lighting*
- 100mm lower loading sill²
- Up to 18.4m load volume¹

A choice of drive systems.

- Front wheel drive delivers the highest possible load compartment
- The first van to offer an 8-speed automatic gearbox with a choice of front wheel, rear wheel and 4MOTION all-wheel drive

Value for money.

- High residual value
- Low fuel consumption
- Low maintenance costs

Superb connectivity.

- Telematics preparation including FMS 3.0 compatibility*
- Customer-specific function control unit (for special bodies and conversions)*
- Car-Net mobile online services*

Load securing options.

- Available with an optional universal floor*
- Load compartment designed for the addition of flexible shelving systems
- Interior roof rack*
- Up to 14 load-lashing rings

Numerous driver assistance and safety systems.

- The first with City Emergency Braking and Automatic Post-Collision Braking as standard
- Electromechanical Servotronic steering as standard
- Side protection*
- Lane Keeping Assist*
- Rear Traffic Alert*
- Trailer Assist*
- Park Assist*
- LED headlights*

* Available as an option. ¹ Will be introduced at a later date. ² Figure applies to the Crafter panel van with front wheel drive, compared to rear wheel drive and 4MOTION all-wheel drive. Illustration includes options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

Contents

Crafted by you. Engineered by us.

More practical, economical and innovative than ever before. The Crafter panel van is a commercial vehicle like no other. Designed by our customers for our customers. Built from the ground up, using 100% Volkswagen DNA as a cost-effective, transport-oriented solution to meet the demands of a diverse range of businesses. The Crafter panel van represents state-of-the-art manufacturing, with the sole aim of making it the best commercial vehicle in its class.

Illustration includes options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

The ergoComfort suspension seat.

- A Suspension seat with weight adjustment
- B Longitudinal seat adjustment
- C Seat height adjustment
- D Seat depth adjustment
- E Seat tilt adjustment
- F Backrest adjustment
- G Electric 4-way lumbar support
- H Headrest adjustment
- I Armrest adjustment

The ergoActive suspension seat.

- J Seat massage function*

* This feature is in addition to the standard features of the ergoComfort seat.

The ergoComfort suspension seats.

Adjustable for a more comfortable driving position.

The optional ergoComfort and ergoActive suspension seats with 20-way adjustment are designed to deliver optimum comfort through the reduction of road-related jolts. The combination of electric and manual adjustment allows the driver to select their preferred seating position. In addition, should you desire, the massage function is also available for the ergoActive suspension seat only.

Two optional large storage compartments in the roof shelf.

A wide range of drive systems.

The Crafter panel van – available with an 8-speed automatic gearbox and a choice of three different drive systems.

The 8-speed automatic transmission is the only one in its class that can be combined with three different drive systems. It has been specially calibrated for the Crafter panel van’s specific driving characteristics, enabling both comfortable and consumption-optimised handling.

Front wheel drive.

100mm lower load sill and entry height.
Highest load height in class.
Highest payload in the range.

Rear wheel drive.

High towing capacity up to 3.5t.
Gross train weight of up to 8.0t.
Better traction with heavy loads.

Longitudinally-mounted front engine.

4MOTION
all-wheel drive.

Dependable traction and control.
Improved directional stability.

Transversely-mounted front engine.

State-of-the-art
driver assistance and safety systems.

[Watch video >](#)

 Front Assist with City Emergency Braking System.

Standard across the Crafter panel van range, this detects critical distances, warns of hazardous situations and when necessary, triggers emergency braking.¹

 Crosswind Assist.

As part of the Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle encounters a strong crosswind. Standard on Crafter panel vans.

1 For panel van and closed bodies only.

Illustrations may include options at extra charge.
Please contact your local Volkswagen Commercial Vehicles Van Centre for details
of the standard equipment and optional extras available.

Assistance systems to help keep you one step ahead.

Illustrations may include options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

Available as an option, Lane Keeping Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger.

Available as an option, Rear Traffic Alert helps by emitting an audible warning when reversing out of a parking space if another vehicle is getting too close. If the driver fails to respond, the system intervenes and applies braking to help avoid a collision.

This useful option aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is operate the clutch, accelerator and brake pedals, whilst keeping a good lookout.

Automatically dips the headlights when it detects oncoming vehicles, or vehicles travelling ahead, to prevent other drivers from becoming dazzled. The system automatically switches on the high-beam headlights when the vehicle is travelling above 37mph in darkness.

1 Within the system's thresholds.

Illustrations may include options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

1 Within the system's thresholds. 2 Only available in conjunction with the Discover Media navigation system. 3 Only in conjunction with 4MOTION all-wheel drive. Illustration includes options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

The Crafter panel van

The Crafter panel van is distinguished by having even better loadability and load securing than ever before. The dimensions are ideal for transporting Euro pallets and roll containers. The factory-fitted preparation for shelves and cupboards, the optional universal floor and the optional internal roof rack combine to create even greater flexibility in the load compartment.

Highlights of the Crafter panel van

- Lowest aerodynamic drag in its class
- Largest load compartment height of up to 2,196mm¹
- Largest side loading and opening width of 1,311mm via the sliding door

1 Value applies to the Crafter panel van with long wheelbase Maxi, super-high roof and front-wheel drive.

2 In comparison to rear-wheel drive and 4MOTION all-wheel drive.

Illustrations may include options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

100mm lower loading sill with the front-wheel drive.²
Image shown features optional Rear step in rear bumper half width including side marker lights.

Illustrations may include options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre. † Basic RRP excluding VAT.

01 Rear wing doors. The two roof-height doors provide an opening angle of 180°. On Trendline models the standard rear wing doors are extended to an increased opening of 270°. The 270° rear wing doors are available as an option on Startline models.

02 Wooden floor.² This 8mm thick wooden floor for the load compartment provides the optimum surface for your cargo to rest on. Robust beechwood ensures outstanding sturdiness and resilience. Standard on Trendline and optional on Startline models.

03 Universal floor.^{1,2} This wooden floor is the ideal basis for retrofitting the shelving and cupboard systems available from a range of manufacturers. Special adapters (A) enable cupboard systems to be easily fastened using the notches. Longitudinal and transverse load-lashing rails (B) are available as an option for the universal floor.

Storage pockets for the rear wing doors (not shown).¹ The removable storage pockets provide a safe and handy storage option for small tools.

Protective grilles for the rear wing doors (not shown).¹ These protect the rear windows against glass breakage and also help to prevent theft.

Up to 14 load-lashing rings (not shown). The Crafter panel van features two additional load-lashing rings on the partition allowing you to securely fasten cargo with tensioning straps and nets. The adjustable load-lashing rings are recessed to lie flush with the floor. To reduce the risk of being a trip hazard, they can also be folded to the sides in the vicinity of the doors.

Preparation for shelving systems (not shown). There are numerous holes for M6 bolts above and below the window area that simplify installation. The holes are spaced 100mm intervals.

Innovative load compartments

- Preparation for shelving systems
- Available with a sturdy, hard-wearing beechwood floor
Standard on Trendline and optional on Startline models
- Up to 14 high-strength, retractable load-lashing rings

1 Optional at extra cost. 2 Will be introduced at a later date. Illustrations may include options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

Easy to load. Loads of space.

Wheelbase.	Medium	Long	Maxi ²
Seat configurations With 2 or 3 seats			
Load compartment ⁶ with Eur-1 pallets 800 x 1,200mm	9.9 m³–11.3 m³	14.4 m³–16.1 m³	16.4 m³–18.4 m³
Load compartment ⁶ with Eur-3 pallets 1,000 x 1,200mm	9.9 m³–11.3 m³	14.4 m³–16.1 m³	16.4 m³–18.4 m³
Load compartment ⁶ with roll containers 720 x 830mm	9.9 m³–11.3 m³	14.4 m³–16.1 m³	16.4 m³–18.4 m³
Load dimensions	Length: 3,450mm Width: 1,832mm	Length: 4,300mm Width: 1,832mm	Length: 4,855mm Width: 1,832mm

- Side sliding door with 1,311mm opening width.** Easy to load and unload with common load carriers such as Euro pallets.

High load compartment with up to 2,196mm.⁴ In conjunction with front wheel drive, the Crafter panel van offers a competitive load height for its class.

100mm lower load sill. Compared to the rear wheel drive and 4MOTION all-wheel drive, the front wheel drive further simplifies loading and unloading thanks to its lower load sill.
- Universal floor for fitting third-party storage systems.**⁵ The optional wooden floor is the ideal base for fitting your choice of storage system from a range of manufacturers. Special adapters for the notches in the floor deliver the flexibility to add or remove items with ease.

Preparation for shelving systems. Numerous hexagonal holes for M6 screw fittings are located every 100mm within the load area, simplifying the mounting of shelves and storage units.

1 With front wheel drive, RWD single rear wheel and 4MOTION all-wheel drive. 2 Not available with a low roof. 3 Not available in conjunction with a super-high roof. 4 Figures based on the front wheel drive Crafter panel van long wheelbase Maxi with super-high roof. 5 Optional at extra cost. 6 Figures are based on low roof to high roof load volumes/load volume for front-wheel drive. Illustrations may include options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

The Crafter panel van.

Engineered for you.

The Crafter panel van is the perfect basis for specialist conversion due to its robust design. You can find example bodies here, on the following pages and also at www.volkswagen-vans.co.uk/conversions

- 01 Mobility van.** The particularly low entry height and front wheel drive provide the optimal basis for the conversion of the Crafter panel van into a vehicle for persons with reduced mobility. Useful features include linear lift or rear lowering.
- 02 Emergency services vehicle.** The Crafter panel van's versatility, with three lengths and heights as well as front wheel drive, rear wheel drive and 4MOTION all-wheel drive make it the ideal base vehicle for this specialist application.
- 03 Mobile breakdown assistance van.** The large cargo space in the Crafter panel van with high roof is ideal for expansion as a mobile workshop.

Upgrade your Crafter panel van with the discounted Business Pack.

Now you can drive away in an upgraded Volkswagen Crafter panel van for less.

The Crafter panel van Business Pack includes:

- Anti-theft alarm with interior monitoring, backup horn and towing protection
- Climatic air conditioning system
- Overhead storage with two 1-Din slots and reading light (standard on Trendline models)
- Parking sensors, front and rear

Upgrade now for as little as **£1,380** +VAT.

Infotainment & connectivity

- 01 Composition Audio radio system.** The Composition Audio features a 5 inch display and comes with USB and mobile phone interface. Standard on Startline model.
- 02 Composition Colour DAB+ radio system.** The Composition Colour DAB+ radio system features a 6.5 inch TFT touch-screen colour display, two USB (type-C) ports, Bluetooth®, SD card slot and four speakers delivering 20 watt output. It also features App-Connect, an integrated eSIM and mobile online services as part of We Connect¹ and We Connect Plus^{1,2}. Standard on Trendline and optional on Startline models.
- 03 Discover Media satellite navigation system.** The optional Discover Media satellite navigation system features an 8 inch colour touch-screen with proximity sensor. The system also includes DAB+ a 32GB media storage, natural voice control, free map updates via the internet and mobile online services with Volkswagen We Connect Plus^{1,2}, wireless App-Connect³ and integrated eSIM. Optional on all models.

1 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation systems. There is an extra charge in the event of renewal once the free period has expired. 3 Only in conjunction with compatible Apple CarPlay devices on the Discover Media navigation system.

We Connect and We Connect Plus.

Your vehicle's technology, at your fingertips.

With Volkswagen We Connect¹ driving a van will now be even more digital. The We Connect¹ App connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect ¹

- BREAKDOWN CALL**

In the event of a breakdown, we get to your location quickly. With **'Breakdown Call'**, you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.
- PARKING POSITION**

The **'Parking Position'** Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.
- SERVICE SCHEDULING**

You drive – Volkswagen **'Service Scheduling'** looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.
- EMERGENCY CALL SERVICE**

In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

We Connect Plus ^{1,2}

- LOCK & UNLOCK**

'Lock & Unlock' allows you to control the central locking system of your vehicle – using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.
- ONLINE ANTI-THEFT ALARM ³**

Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the **'Online Anti-Theft Alarm'** will inform the We Connect app on your smartphone or by email.

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. 1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

RDE2 refers to Real Driving Emissions Step 2.

Working with you

The Crafter panel van offers professional transport solutions for all: we promise to work with you to tailor your new Crafter panel van and optimise the payload for your individual business requirements. Simply call your local Van Centre directly to discuss your needs.

1 We are currently changing over to the new vehicle testing regime known as the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). This is being phased in for Light Commercial Vehicles (LCVs) and replaces the New European Driving Cycle (NEDC) test procedure for establishing the official fuel consumption and CO₂ emissions figures for new vehicles. WLTP applies to all vehicle manufacturers. If you order an LCV now, it is likely to have different official fuel consumption, CO₂ emissions data and specification to that shown in the configurator. For more information, please speak to your local authorised Van Centre. Comparisons may be unreliable. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO₂ emissions and driving performance values.

2 Unladen weight includes approximately 90% fuel load and 75kg for driver.

3 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. The minimum payload range includes base specification vehicle. Payload can be improved by removal of standard equipment e.g. spare wheel, wooden floor or replacement of twin passenger seat with a single seat. Please contact your local Volkswagen Van Centre for more details.

Panel van dimensions

CR30/35 medium wheelbase

Roof height		Low ¹ (optional)	High ¹ (standard)
Wheelbase		3,640	3,640
Load compartment	length, mm	3,450/3,201**	3,450/3,201**
	width, mm	1,832	1,832
	width between wheel arches, mm	1,380	1,380
	height, mm (FWD/RWD & 4MOTION)	1,726/1,626	1,961/1,861
	load volume, m ³ (FWD/RWD & 4MOTION)	9.9/9.3	10.7/9.3
Side sliding door	width, mm	1,311	1,311
	height, mm	1,587	1,822
Rear wing doors	width, mm	1,552	1,552
	height, mm	1,605	1,840
Turning circle (wall to wall), m		13.6	13.6

All dimensions in millimetres (mm), unless otherwise stated.
1 CR30 and CR35: RWD & 4MOTION derivatives have a lower internal load height due to a raised floor (by 100mm).

Illustration shown is CR35 medium wheelbase panel van with high roof.
* This value applies for RWD & 4MOTION all-wheel drive.
**Load compartment length, max. (at floor level)/load compartment length, min.

CR35 long wheelbase

Roof height		High ¹ (standard)	Super-high ¹ (optional)
Wheelbase		4,490	4,490
Load compartment	length, mm	4,300/4,051**	4,300/4,051**
	width, mm	1,832	1,832
	width between wheel arches, mm	1,380	1,380
	height, mm (FWD/RWD & 4MOTION)	1,961/1,861	2,189/2,089
	load volume, m ³ (FWD/RWD & 4MOTION)	14.4/13.6	16.1/15.3
Side sliding door	width, mm	1,311	1,311
	height, mm	1,822	1,822
Rear wing doors	width, mm	1,552	1,552
	height, mm	1,840	1,840
Turning circle (wall to wall), m		16.2	16.2

All dimensions in millimetres (mm), unless otherwise stated.
1 CR35: RWD & 4MOTION derivatives have a lower internal load height due to a raised floor (by 100mm).

Illustration shown is CR35 long wheelbase panel van with high roof.
* On high roof models, this value applies for RWD & 4MOTION all-wheel drive and rear-wheel drive.
On super-high roof models, this value applies for RWD & 4MOTION all-wheel drive only.
**Load compartment length, max. (at floor level)/load compartment length, min.

Please note: all measurements listed are based on series vehicles. The loading sill and height dimensions listed here may vary by approximately ±50 mm depending on the equipment fitted and load. The vehicle drawings are not to scale.

Accessories

100% safety and security.
100% Volkswagen.

Add extra security, protection and practicality to your new Crafter, while still keeping it 100% Volkswagen. Our range of rugged and long-lasting Accessories are a perfect match for fit and allow you to truly customise your vehicle. Whether you want added technology or need extra flexibility with a sturdy towbar, there's something in our Accessories range for you. And remember, most Accessories include a two-year warranty for added peace-of-mind.

Illustrations may include options at extra charge.
Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

Finance made simple

As dedicated to finance as we are to your new Crafter panel van

Learn more about our range of finance products to find a finance package that suits your budget. Alternatively, 'Click on' the Offers & Finance button above to find out more about our latest offers to help your business thrive.

Hire Purchase
Make all the regular monthly payments. At the end the vehicles is yours.

Lease Purchase
Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

Contract Hire
Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

Finance Lease (full pay out)
Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

Finance Lease (balloon repayment)
Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the 'balloon' payment and retain the use of your vehicle by paying a reduced annual rental.

Illustrations include options at extra charge. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras applicable in your country.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

Finance, insurance, servicing and warranties

Finance and insurance.¹
When it comes to paying for your van, we’ve got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard.

A choice of packages.²
Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that’s perfect for your business, we’re here to help you consider your options.
You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Commercial Vehicle Van Insurance.³
Complimentary Drive Away Insurance
Every new and used Volkswagen Commercial Vehicle comes with five days’ complimentary Drive Away Insurance, so you can enjoy your new vehicle from day one. We will also provide you with a quote, giving you the option to purchase annual cover, so you can enjoy the same peace-of-mind for a further twelve months. Please speak to your local Volkswagen Van Centre for further details.

Subject to eligibility. Five days’ Drive Away Insurance cannot be used in conjunction with any other insurance offer.

Annual Insurance
Comprehensive van insurance, designed specifically for Volkswagen Commercial Vehicles, to offer you maximum convenience with minimum hassle – just as you’d expect.
If you take out a new Volkswagen Commercial Vehicle Van Insurance policy you will receive the following benefits at no additional cost:

- All repairs are carried out by Volkswagen Commercial Vehicles’ Trained Technicians in Volkswagen Commercial Vehicles’ Authorised Repairers
- Genuine parts and accessories (excludes windscreen claims)
- Courtesy van while yours is being repaired
- Cover for the full cost of repairs to chips or other small damage to your windscreen
- Up to 90 days’ foreign travel cover, when using your van abroad
- Up to £250 cover for personal belongings that are lost or damaged following an accident, fire or theft

For more information or to get a quote, call us on: **0345 877 6355**

We’re available Monday to Friday 9am-6pm.

Alternatively, visit: **www.insurewithvwcv.co.uk**

Volkswagen Commercial Vehicle GAP Insurance.⁴
If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually settle your claim based on the current market value of your vehicle. This could be substantially less than the original value of your vehicle.

Volkswagen Commercial Vehicle GAP (also known as ‘Guaranteed Asset Protection’) Insurance helps to bridge the payment gap to get you back in a new Volkswagen Commercial Vehicle. Whether you purchase, finance, lease or hire your vehicle, Volkswagen Commercial Vehicle GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle.

For more information about Volkswagen Commercial Vehicle GAP Insurance, visit: **www.insurewithvwcv.co.uk/gap-insurance**

Servicing and support.
We’re here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit: **www.volkswagen-vans.co.uk/aftersales**

Fixed cost maintenance.
This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Fixed price servicing.⁶
If you can pay for more than one service upfront, we’ll help by reducing your costs. Buy two upfront and you’ll receive one interim and one full service at a discounted rate. Buy four and you’ll receive two interim and two full services, with your next MOT also included. You can also spread the cost with monthly payments, helping you budget⁷.

Pay on demand.
If you’re looking for freedom and flexibility with your servicing, it’s good to know we’re ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.
We understand the need to keep you mobile. That’s why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.
You can count on us long after you purchase your new Crafter panel van, thanks to its comprehensive three-year unlimited mileage warranty. You choose Volkswagen because your business depends on it, year in, year out. While your new Crafter panel van is under warranty, we’ll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

For more detail, please visit **www.volkswagen-vans.co.uk/aftersales**.

Extended warranty.
You can also extend your warranty beyond the standard warranty period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.
For more detail of cover levels, along with terms and conditions, please visit **www.volkswagencvwarranty.co.uk** where you’ll also be able to obtain a quote and purchase an extended warranty.

Paint and body warranty.
Your new Crafter panel van’s exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.
