## HGV Service Advisor – Cordwallis Heathrow

Cordwallis Group are a renowned and respected family business with four busy sites in the South of England. Established in 1971, our commercial vehicle business has grown from strength to strength, largely because of the passionate and hard working people we employ.

We operate Volkswagen Van, MAN Truck and Isuzu Truck franchises and seek an **experienced and professional** HGV Service Advisor for our Heathrow operation.

To be considered for this key role we require:

- **demonstrable HGV/Commercial Vehicle service experience**
- a candidate who lives and breathes great customer service
- a proactive mindset, a "can-do" outlook and the ability to follow process
- positive attitude, ambitious mind, confidence and sense of humour
- computer literacy and good written and verbal English

Full details can be found in our Job Specification available by requesting this document within your cover letter.
