

## HGV Technician – Cordwallis Heathrow

Our technicians have worked throughout the pandemic to ensure that in turn, our customer can still operate within the current guidelines.

Due to an increase in demand, we are seeking talented technicians to work in our HGV workshops at both Reading and Heathrow.

Candidates must have a minimum of Level 3 Vehicle Maintenance and Repair Qualification, along with substantial working experience in the commercial trade.

From diagnostics to routine maintenance checks to rebuilding an engine, we are seeking technicians who have initiative, drive and great team working ethic.

If you want to work for a stable, growing family business with a solid reputation, look no further and apply now!
