

## HGV Technician (Reading)

With another brand recently added to our existing successful portfolio (we now specialise in **MAN, Mercedes Trucks & Isuzu**), we are seeking an experienced, motivated and driven HGV Technician to join our talented team and be part of our continuing success.

Do you want to join a family business, who are stable (established 1971), worked throughout lockdown and continue to do so, experienced and leaders in their field in servicing and repair of Commercial Vehicles?

We can offer brand training, stability and a great working atmosphere joining our existing team of talented technicians.

Ideal candidates will have:

- HGV City & Guilds or equivalent qualification within the relevant field - or ability to demonstrate an equivalent level of skill
- Experience of diagnostics and a desire to find effective solutions
- Basic computer skills
- HGV MOT laws / requirements
- HGV Licence would be advantageous
- Knowledge of Health and Safety laws
- A "can do" attitude and self motivated!

Candidates will be required to join our professional breakdown rota which also boosts earning capabilities.

This role is Monday to Friday 8am to 5pm with 1 hour break.

If you want to join a great company who still have that family feel, we can offer you:

Above average hourly rate (£16.00 to £18.00) dependent upon skills & experience

Overtime usually available

Uniform provided

Tool insurance

Secure on-site parking

Brand training (Isuzu, MAN & Mercedes)

Statutory Pension Scheme

Interest free loans upon qualifying criteria

Other family business benefits!

If you are interested in this role, please don't hesitate to send us your CV with details of why you think you would be a great fit for our business!
