## Parts Delivery Driver – Cordwallis Heathrow & Bicester

Cordwallis Group have a Parts Driver role available immediately – candidates must have a good standard of driving, comfortable driving small vans up to 3.5T maximum. Quality vehicle are provided during working hours for our drivers.

The successful candidate will provide a first class, reliable and professional delivery services to our many customers throughout the area for well-known brand leaders in the Commercial Vehicle industry.

Being the face of our business, candidates will have a happy friendly disposition, a “can do” attitude, be team players and proactive.

Attention to details is a must in this role and reliability is key. Some heavy lifting may be involved with some Commercial Vehicle parts.

A good standard of spoken and written English is required for this role.
