Commercial  
Vehicles

# Volkswagen Commercial Vehicles' Van Centres.

## Working with you.

### Everything for the job and the journey.

**The right van.**  
We're commercial vehicle experts and finding the right van for your business is what makes us tick. We'll guide you through the range, take you on a test drive and cover all the options.

**The right accessories.**  
From mudflaps to sat navs, plying to roof racks, we'll work with you to create the perfect van – keeping everything 100% Volkswagen to aid high residuals.

**The right finance.**  
Every business is different, so we stay flexible, with a range of finance packages to choose from. Depending on your preference, we'll go through the options to find the one that suits you best.

**The right support.**  
Nothing matters more than keeping you mobile, so our servicing options are built around you, including extended opening hours and mobile service vans. You'll also enjoy three-years' free 24/7 Roadside Assistance with your new van.

**The right service.**  
We understand it's the little things that make the difference, so we set high standards. We'll call you when we say, keep you informed on delivery dates and support you long after purchase.

**And there's more...**  
We offer a lot more than you might think. From **cost-effective van rental** or an **air conditioning recharge**, to a wide selection of premium and budget **replacement tyres**, if we're not able to help, we'll try and point you in the right direction!

You're more than a customer. To us, you're a partner. We know that when you choose Volkswagen Commercial Vehicles, you're looking for more. You want a van that looks after itself, while you take care of business. By being there, knowing how you work and what you need, we can support your plans year after year. This partnership lasts as long as your ownership, with a vehicle and a team that's with you for the journey.

**Our dedicated network of Van Centres.**  
Over **60 Van Centres** and **30 Authorised Repairers** means you're only around 45 minutes on average from our door.

For more information on accessories, finance, service, support and warranties, please refer to the Service and warranties section.

**The original.**

The award-winning Volkswagen Transporter has led the way for over 70 years, continually setting the benchmark in its class and selling over nearly twelve million units worldwide.

## Impressive range of variants.

The Transporter 6.1 is available as a panel van or a kombi crew van, with Startline and Highline trim levels, and short and long wheelbase options, offering solutions for a vast range of tasks. On long wheelbase models, a high roof option is also available.

## Proven quality.

As you'd expect, the Transporter 6.1 is durable, versatile and built to last, with a highly stable body, quality materials and time-honoured workmanship.

**New on-board electronics.**

Function control unit<sup>1</sup> for customer-specific equipment configurations and electromechanical power steering. The electromechanical power steering offers active and adaptive support in almost all driving situations and provides the basis for a wealth of innovative driver assistance systems.

## State-of-the-art driver assistance systems.

Front Assist with City Emergency Braking System<sup>2</sup>, Driver Alert, Brake Assist and Crosswind Assist<sup>2</sup> are fitted as standard. Optionally available are Park Assist including Side Protection<sup>1,2,3</sup> and Trailer Assist<sup>1,2,4</sup>. A rear-view camera<sup>1</sup> is also available as an option for the first time in conjunction with the rear wing doors.

## The icon, updated

# Porter 6.1

1 Optional at extra cost. 2 Within the system's thresholds. 3 No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes. 4 Only in combination with a tailgate.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

**Optimum space utilisation.**

The Transporter 6.1 panel van load space is up to 2,975mm<sup>1,2</sup> long, with up to 1,940mm<sup>1,2,3</sup> high loading area, plenty of cab space and the ability to separately lock the cargo compartment and cab.

**Optimum off-road capability.**

The Transporter 6.1 is available to order with 4MOTION all-wheel drive<sup>4,5</sup>, dual clutch gearbox DSG<sup>4,5</sup>, Hill Descent Assist<sup>4,6,7</sup>, Hill Hold Assist and mechanical differential lock<sup>4,6</sup> provide impressive off-road capability.

**Customised for almost all requirements.**

Our recognised converters and industry-specific conversion manufacturers can customise your Transporter 6.1 panel van to your specific needs.

1 Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances. 2 On long wheelbase models. Measured at the floor height of the vehicle floor. 3 For high roof models. 4 Optional at extra cost. 5 Not available for all engines. 6 Only available in conjunction with 4MOTION all-wheel drive. 7 Within the system's thresholds. Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

**Optimised, ergonomic driver's workplace.**

A fully adjustable steering wheel, driver's seat with 4-way lumbar support, durable and robust new upholstery, newly designed dashboard and excellent all-round visibility transform the driving experience.

## Upgraded standard equipment.

In addition to many other new standard features, all vehicles now have a radio system with integrated hands-free Bluetooth®, App-Connect and USB (type-C) interface along with LED interior lighting.

**Excellent connectivity.**

The latest radio and navigation systems<sup>1</sup> with up to 8 inch touch-screens, full online connectivity, thanks to an integrated eSIM card, driver assistance systems and wireless smartphone charging.

**Robust, contemporary interior.**

New cockpit: dash panel, door, side and seat trim panels are finished in stylish Dark Anthracite that doesn't show dirt.

# Intelligent driver assistants give you peace of mind.

Driving the Transporter 6.1 offers high levels of safety and peace of mind, thanks to a host of standard and optional driver assistance systems. Whether you require assistance when parking, driving, changing lanes or towing a trailer, the latest assistants monitor the situation, taking preventative action in critical situations.

## Park Assist.<sup>1,2</sup>

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

## Traffic Sign Recognition.<sup>1,2</sup>

Detects road signs and informs the driver. Optionally available in combination with the Discover Media navigation system.

## Trailer Assist.<sup>1,2,3</sup>

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with tow bar preparation or removable and lockable tow bar.

## Hill Descent Assist.<sup>1,2,6</sup>

Allows you to descend slopes in a safe, controlled way by regulating the engine speed and applying the brakes as necessary.

## Adaptive Cruise Control (ACC).<sup>2,5</sup>

Standard on Highline and optional on Startline. Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18mph triggers emergency braking.

## Tyre pressure monitoring system.<sup>1,2</sup>

Displays the current pressure for every tyre and warns of deviations from the set pressure.

## Crosswind Assist.<sup>2</sup>

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle encounters a strong crosswind.

## Side protection.<sup>1,2,4</sup>

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

1 Optional at extra cost. 2 Within the system's thresholds. 3 Only in combination with a tailgate. 4 No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes.

# So which model do you need?

## Choose your van.

**Your van.**  
You probably already have an idea about what you need from your ideal van and what you'll need to carry. Likewise, you're sure to have an idea about what's the heaviest, tallest, widest or longest load you'll need to get into your vehicle. If you're a Fleet Manager, then you'll probably need a variety of options and maybe more than one vehicle. Bearing these factors in mind, the information featured on these pages is designed to help as a quick guide to which vehicle may be the closest match to your own specific requirements.

**Two trimlines.**  
There are two trimlines available, from the robust Startline to the luxurious Highline, each delivering its own distinct feel and offering solutions for a vast range of tasks.

**Your choice.**  
And remember, that's not all. Every Transporter is available with a wide range of options and accessories – all designed to further help tailor your vehicle to your own particular needs. So which model do you need?

### How to select your van:

1. Think about the **maximum length and height** of your load. This will help you choose a wheelbase and roof height. If you need to carry more than two passengers, you'll need to consider choosing a Transporter kombi crew van.
2. In the Technical information section you'll see **payload** ranges. Think about the heaviest load you need to carry. This will help you choose what's suitable (for instance a T30). *Please [click here](#).*
3. From the two **trimlines** available, decide which one is right for you. *Please [click here for Startline](#). Please [click here for Highline](#).*
4. Take a look at the Price list information section to discover which **engines and options** are available for your chosen van. *Please [click here](#).*

Please note: The Transporter 6.1 kombi crew van's load dimensions vary slightly from the Transporter 6.1 panel van figure shown. For further information about dimensions, please refer to the Technical information section.

Short wheelbase normal roof.

Load length<sup>1</sup>: 2,572mm  
Load width: 1,700mm  
Load height: 1,410mm

5.8m<sup>3</sup>  
load area volume.

Long wheelbase normal roof.

Load length<sup>1</sup>: 2,975mm  
Load width: 1,700mm  
Load height: 1,410mm

6.7m<sup>3</sup>  
load area volume.

Long wheelbase high roof.

Load length<sup>1</sup>: 2,975mm  
Load width: 1,700mm  
Load height: 1,940mm

9.3m<sup>3</sup>  
load area volume.

1 Please note: load length is based on vehicles without a bulkhead. The bulkhead can be removed at no extra cost.

Always gives its all.

Transporter 6.1 panel van.

It was the solution for transport bottlenecks over 70 years ago. Today, the Transporter 6.1 panel van offers greater performance than ever before. It combines an impressive load compartment height with modern support in road traffic through driver assistance systems.

**Transporter 6.1 kombi crew van.**

The vehicle combination for both passenger and goods transport known initially as a Transporter 6.1 kombi. The Transporter 6.1 kombi crew van has been part of the Transporter series for a long time now. Up to six people and a maximum of two Euro pallets can be transported at the same time.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

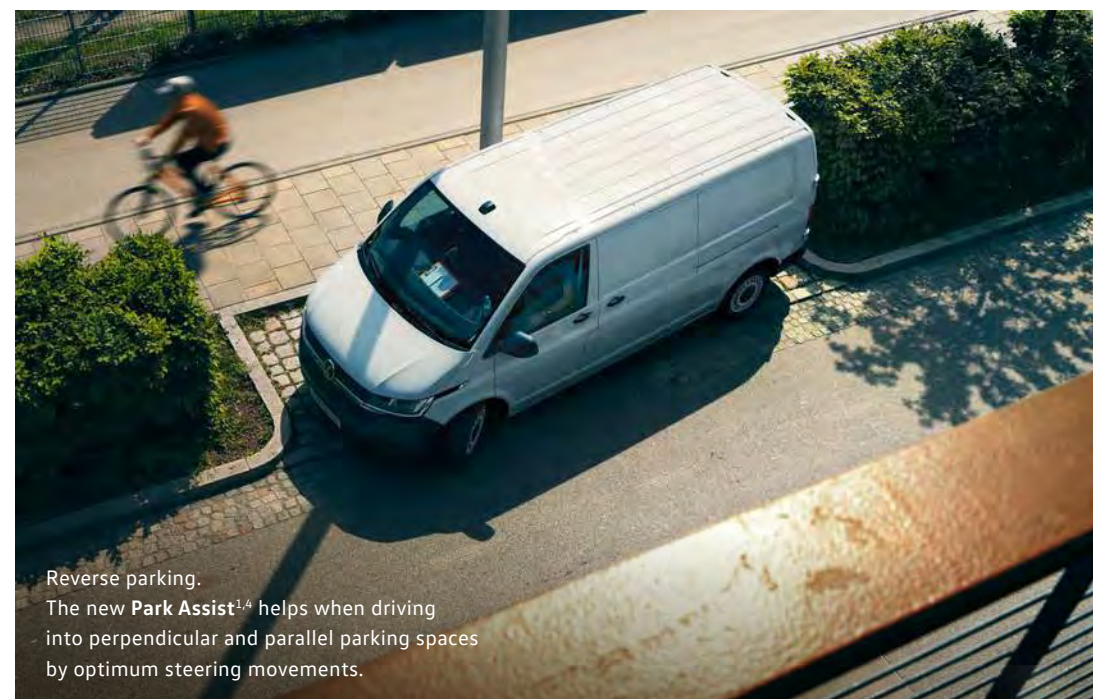

# Space for everything.

## Transporter 6.1 panel van

Full load. Heavy traffic. Many stops. The Transporter 6.1 panel van offers practical assistance for all these things. With its especially low loading sill, impressive load room height and its intelligently designed load securing options, it offers ideal working conditions. With the electromechanical power steering system, it now offers even more helpful driver assistance systems when on the road.

## Highlights of the Transporter 6.1 panel van

- Crosswind Assist<sup>1</sup>
- Ergonomic workplace
- Maximum trailer weight up to 2.5T
- Payload up to 1.3T
- Space for up to three Euro pallets
- Two wheelbases and two roof heights
- Up to 1,940mm load compartment height<sup>2</sup>
- Up to 3.2T gross vehicle weight (GVW)
- Up to 9.3m<sup>3</sup> load compartment volume<sup>3</sup>

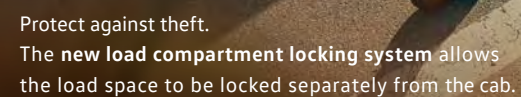

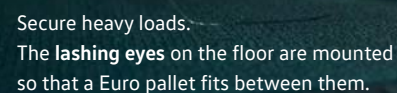

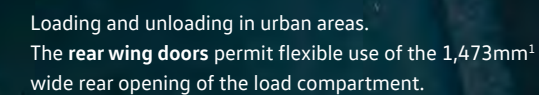

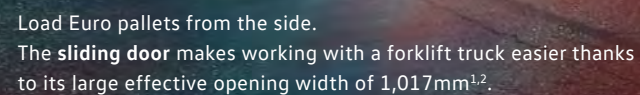

Reverse parking.  
The new **Park Assist**<sup>1,4</sup> helps when driving  
into perpendicular and parallel parking spaces  
by optimum steering movements.

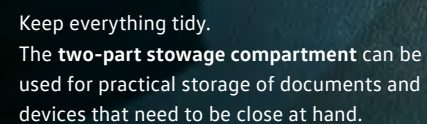

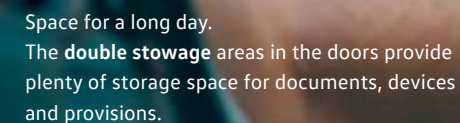

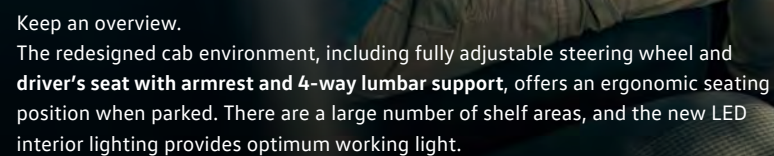

1 Within the system's thresholds. 2 For high roof models. Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances.  
3 On long wheelbase models with high roof. 4 Optional at extra cost. 5 Only in combination with a tailgate. 6 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution.  
Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

1 Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances.  
2 Only available with mechanically operated sliding doors.  
Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Always ready to work.

Combining a single cab and long wheelbase, as well as a large easy to access load bed, the Transporter 6.1 dropside van provides the perfect solution to carrying your day-to-day equipment. Up to three people and four Euro pallets can be comfortably accommodated. Also available to order as a chassis – ready for conversion.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

# Carry everything.

Whether it's heavy equipment or a heavy load, the Transporter Single cab Dropside van offers enormous potential for all these challenges. With the ability to climb a grade of 37° and carry a payload of up to 1,162 kg, it will let hardly anything get in its way. Add to that a variety of equipment options, you can adapt the dropside to suit the job.

## Highlights of the Transporter Dropside

- Extra durable quality with a non-slip and water-repellent platform
- Largest platform choice in the segment
- For one to three people plus equipment
- Low-loader option available
- 8 lashing eyes for securing loads safely
- 5.7 m<sup>2</sup> load platform area

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

## Startline

### Standard equipment

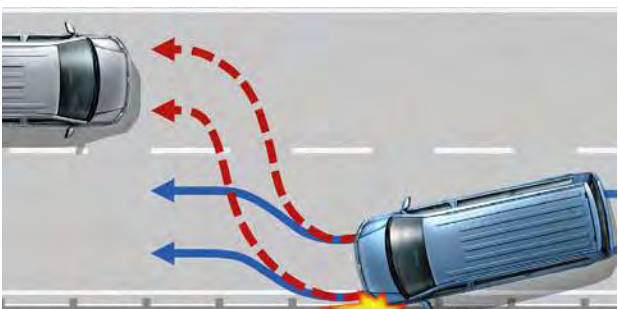

Wheels
17 inch steel wheels 215/60 R17 tyres with low rolling resistance
Steel spare wheel
Tool kit and jack
Exterior
Electrically adjustable and heated exterior door mirrors
Grey bumpers with exterior door mirror housings and door handles in Black
H7 twin halogen headlights
Radiator grille with double chrome trim strip
75 litre fuel tank with lockable cap.
Air conditioning and sun protection
Allergen filter
Electronically controlled heating system
Heat-insulating windows in cab

Driver's workplace
Dash panel with open stowage compartments, drink holders and lockable glovebox
Dimmable dashboard illumination
'Double Grid' cloth seat upholstery in Titanium Black
Driver's seat with armrest, height adjustment and 4-way manual lumbar support
Dual passenger bench seat
Durable rubber floor in the cab
Electric windows in the cab
Folding grab handles on roof frame
Leather trimmed multi-function steering wheel with height and longitudinal adjustment
LED interior lighting with two reading lights in the roof console
Sun visors and airbag label on front passenger sun visor
12V socket

Infotainment and connectivity
Composition Audio radio with USB/iPod connection and Bluetooth®.
Multi-function display Plus with black and white display

Driver assistance, safety and electrical
Alternator 180 A
Automatic Post-Collision Braking System <sup>1</sup>
Brake Assist system
Central locking system with two remote control folding keys and interior operation
Cruise control including speed limiter
Daytime running lights
Driver Alert system
Driver and front passenger airbags with front passenger's airbag deactivation button
Electromechanical steering
Electronic Stabilisation Programme <sup>1</sup> (ESP), Anti-lock Braking System (ABS), Traction Control System (ASR), Electronic Differential Lock (EDL) and Hill Start Assist <sup>1</sup>
Engine immobiliser
Front Assist with City Emergency Braking System <sup>1</sup>
Start-stop system with regenerative braking
Single-tone horn
Warning light and buzzer for front seat belts if unfastened

# Transporter 6.1 dropside

## Startline

### Standard equipment in addition to chassis cab

16 inch steel wheels 205/65 R16 tyres with low rolling resistance	Load platform, aluminum side and tailboards (folding), safety locks
	Rear step
	8 folding lashing rings for load restraint system, reinforced (ISO 27956)

<sup>1</sup> Within the system's thresholds. Images shown are for illustrative purposes only. Vehicles shown are not UK specification. Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre. † Basic RRP excluding VAT. Detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments can be found by visiting the Volkswagen Commercial Vehicles online car configurator at [www.volkswagen-vans.co.uk/en/configurator.html](http://www.volkswagen-vans.co.uk/en/configurator.html)

Starting from

£26,500†

Please click here for more details.

# More customised.

## Ideal prerequisites for individual conversions.

When it comes to conversions, the Transporter 6.1 offers a unique level of adaptability. This starts with the choice of two wheelbases and two roof heights. There are then three weight classes with a gross vehicle weight rating from 2.8T to 3.2T. What is more, an impressive interior height in the load compartment is common to all variants – ideal for installation of shelving.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

# Moving big things.

Towing and 4MOTION.

**4MOTION all-wheel drive.**<sup>1,2</sup> The all-wheel drive automatically adapts the power transmission to the respective driving situation via an electronically controlled multiplate clutch on the rear axle. The low system weight provides optimum vehicle handling and increased driving dynamics.

**Mechanical differential lock.**<sup>1,3</sup> As additional support for the 4MOTION all-wheel drive<sup>1,2</sup>, a mechanical differential lock is available for the rear axle. This makes it easier to pull away in difficult off-road conditions and makes the Transporter 6.1 one of the most capable all-terrain vehicles in its class.

**Maximum trailer weight up to 2.5T.** Maximum trailer weights of up to 2.5T are possible in combination with the six and seven-speed gearboxes.

**Tow bar.**<sup>1</sup> Tow bar preparation is available, or if you require greater flexibility a removable option is also available.

**Trailer stabilisation.**<sup>1,4,5</sup> Automatically intervenes if the trailer starts to swing, applying brakes where necessary to ensure the trailer is stabilised.

1 Optional at extra cost. 2 Not available for all engines. 3 Only available in conjunction with 4MOTION all-wheel drive. 4 Within the system's thresholds. 5 Only available in conjunction with a tow bar or with tow bar preparation. Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

## Exterior

**02 Electrically adjustable, heated and folding exterior door mirrors.** Fold automatically inward towards the vehicle when the vehicle is locked by means of the remote control key.

**H7 twin halogen headlights (not shown).**  
Ensure optimum visibility at night thanks to long range and excellent lateral illumination.

## Driver's workplace

**Multi-function display Plus (not shown).**  
Displays current information, including the outside temperature, range, average speed and fuel consumption. | S | H |

**06 Leather trimmed multi-function steering wheel.** Makes it easier to operate various systems when driving. | S | H |

**Electromechanical power steering (not shown).**  
The speed-sensitive power steering improves  
the driving feeling and safety. | S | H |

**Additional 12V socket in the centre storage compartment (not shown).** Supplies smartphones and other electrical devices with 12V DC. | S | H |

**Standard**   **Optional at extra cost**   | **S** | Transporter 6.1 Startline   | **H** | Transporter 6.1 Highline

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

## Options (continued)

Load compartment, passenger compartment  
and load platform

01 | 02

**01 Anti-slip, washable rubber floor.** Increases safety through an anti-slip surface that extends over the loading sill and the step lighting. | **S | H** | kombi crew van. | **S | H** | panel van.

**02 Reinforced lashing eyes (folding).** Allows loads to be optimally secured on the floor with a high maximum tensile force of 470 daN. Not available for kombi crew van models.

**03 Tow bar, removable, maximum trailer weight up to 2.5T, including trailer stabilisation.**<sup>1,2</sup> Can be fitted or removed quickly and easily. | S | H |

03

**High side panel trim – hardboard (not shown).** Full-height protection of the side panels from the floor to the roof frame.

| S | H | kombi crew van.   | S | H | panel van.

**Sliding door, right side (not shown).** Speeds up loading and unloading and increases comfort for getting in and out of the vehicle. | S | H |

**Electric power latching for sliding doors (not shown).**  
Makes it easier to close the sliding doors. | S | H |

**Electric sliding doors (not shown).** Also work reliably on uphill and downhill gradients and feature a roll-back function to prevent any injuries. Available on kombi crew van models only.

04

**04 Universal floor (for fittings).** The ideal preparation for subsequent installation of cabinet systems from various manufacturers<sup>3</sup>. Special adapters<sup>4</sup> in the recesses in the floor covering permit flexible installation of cabinet systems at any time without gluing or drilling. Subsequent removal of the floor leaves only minimum traces. Optional on panel van models. | S | H |

1 The maximum trailer weight varies depending on the engine. 2 Within the system's thresholds. 3 The respective body builder is responsible for the correct and safe installation of the cabinet systems installed on the universal floor. 4 Not included with delivery.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

**Standard**   **Optional at extra cost**   | **S** | Transporter 6.1 Startline   | **H** | Transporter 6.1 Highline

## Options (continued)

Load compartment, passenger compartment  
and load platform (continued)

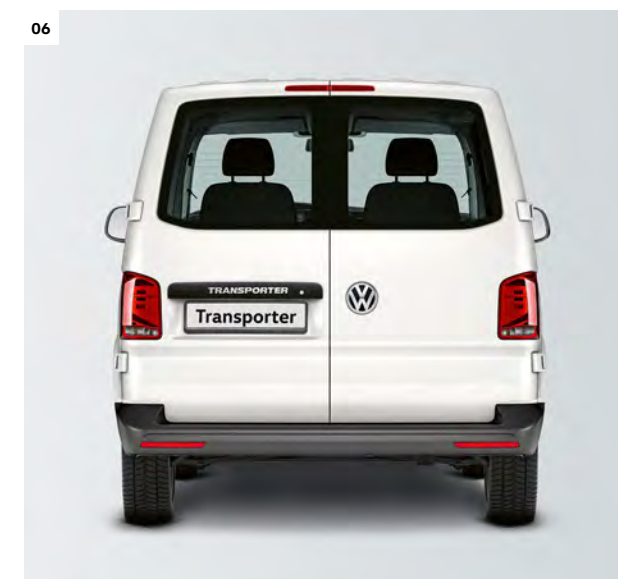

**01 High partition, closed.** Fully separates the load compartment from the cab. Standard on panel van models only. Not available for kombi crew van models. | S | H |

**02 Partition, high with window.** The window is made of safety glass. Optional on panel van models only. Not available for kombi crew van models. | S | H |

**03 Tailgate without window.** Allows convenient loading and unloading with a large opening height of maximum 2,200mm<sup>1</sup>.  
| S | H |

**04 Tailgate with window.** Improves visibility to the rear thanks to a particularly large window. | **S | H** | kombi crew van.  
| **S | H** | panel van (no cost option).

**Electric tailgate.**<sup>2</sup> Can be operated with the vehicle key for convenient and safe handling. Sensors detect whether the tailgate has sufficient space to open and the roll-back function stops the tailgate from closing if it encounters an obstacle. Not available on Startline panel van models. | S | H |

**05 Rear wing doors.** Standard on panel van models and any model ordered with a high roof.

| **S | H** | high roof kombi crew van only.

| **S | H** | panel van.

**06 Rear wing doors with window.** Extend the field of vision thanks to a narrow centre pillar in combination with extra wide windows. Only available on kombi crew van models. Not available for panel van models. | [S](#) | [H](#) |

<sup>1</sup> Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances.

2 Only in conjunction with central locking, heated rear window, rear windscreen wiper and Parking sensors, front and rear. Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

**Standard**   **Optional at extra cost**   | **S** | Transporter 6.1 Startline   | **H** | Transporter 6.1 Highline

## Air conditioning and glass

**Air conditioning system in the cab with electronic control.**  
You can use the infinitely adjustable control to set your preferred comfortable temperature. | S | H |

**Battery and alternator with increased capacity.** The alternator power is increased to up to 250 A and the battery power to 92 Ah.

**Sliding windows (in sliding doors).** New handles make it even easier to open and close the side windows. Standard on kombi crew van models and not available on panel van models. | **S | H |**

**01 Privacy glass.** Available for kombi crew van models, privacy glass filters out sunlight and makes it difficult for outsiders to observe who or what is in the rear, by means of tinted windows in the passenger compartment. | **S | H** |

# Safety systems

A close-up photograph of a passenger's seatback entertainment screen. The screen displays a red emergency exit sign, which is a common safety feature on airlines. The sign is rectangular and features a red background with a white silhouette of a person running towards an exit. The screen is mounted on a light-colored plastic panel, and the surrounding area shows the structure of the aircraft cabin.

**Electronic Stabilisation Programme.**<sup>1</sup> Designed to prevent the vehicle from swerving in critical driving conditions by controlled and targeted intervention in the brake and engine management. This helps to maximise directional stability. | S | H |

**Anti-lock braking system.** Designed to prevent wheels from locking up and assist manoeuvrability of the vehicle under heavy braking. | S | H |

**Traction control system (ASR).** Aids smooth starts and acceleration by reducing wheel-spin. | S | H |

**Electronic differential lock (EDL).** Allows smooth starts on slippery or loose road surfaces. If one wheel starts to spin, EDL is designed to brake the wheel as necessary, directing power to the wheel with greater traction. | S | H |

**Remote central locking with interior operation and two remote folding keys.** Pressing the remote control opens all the doors or only the driver's door. Offers you extra convenience and safety. | S | H |

**Electric child safety lock.** The sliding doors can be locked separately from the cockpit via buttons. Standard on kombi crew van models. Not available for panel van models.

**| S | H |**

**Automatic Post-Collision Braking System.<sup>1</sup>** Initiates braking after a collision, with the aim of preventing secondary collisions. | S | H |

1 Within the system's thresholds. Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

# Upgrade your new Transporter 6.1 with the discounted Business Pack.

Now you can drive away in an upgraded Volkswagen Transporter 6.1 for less.

## The Startline panel van and kombi crew van Business Pack includes:

- Anti-theft alarm with interior monitoring in cab, backup horn and towing protection
- Climatic air conditioning system
- Rear parking sensors

Upgrade now for as little as **£1,095** +VAT.

<sup>1</sup> Depending on the engine/gross vehicle weight combination.

# Infotainment & connectivity

**01 Composition Colour DAB+ radio system.** Fitted as standard, the Composition Colour DAB+ radio system features a 6.5 inch TFT touch-screen colour display, two USB (type-C) ports, Bluetooth®, SD card slot and four speakers delivering 20 watt output. It also features App-Connect, an integrated eSIM and mobile online services as part of We Connect<sup>1</sup> and We Connect Plus<sup>1,2</sup>. | S | H |

**02 Discover Media DAB+ satellite navigation system.** The optional Discover Media satellite navigation system features an 8 inch colour touch-screen with proximity sensor. The system also includes a 32GB media storage, natural voice control, free map updates via the internet and mobile online services with Volkswagen We Connect Plus<sup>1,2</sup>, wireless App-Connect<sup>3</sup> and integrated eSIM. | S | H |

1 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com), and use the services for the full duration of the agreed free period. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation systems. There is an extra charge in the event of renewal once the free period has expired. 3 Only in conjunction with compatible Apple CarPlay devices on the Discover Media navigation system.

# We Connect and We Connect Plus.

## Your vehicle's technology, at your fingertips.

With Volkswagen We Connect<sup>1</sup> driving a van will now be even more digital. The We Connect<sup>1</sup> App connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect<sup>1</sup> Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

### We Connect <sup>1</sup>

- BREAKDOWN CALL**

In the event of a breakdown, we get to your location quickly. With 'Breakdown Call', you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.
- PARKING POSITION**

The 'Parking Position' Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.
- SERVICE SCHEDULING**

You drive – Volkswagen 'Service Scheduling' looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.
- EMERGENCY CALL SERVICE**

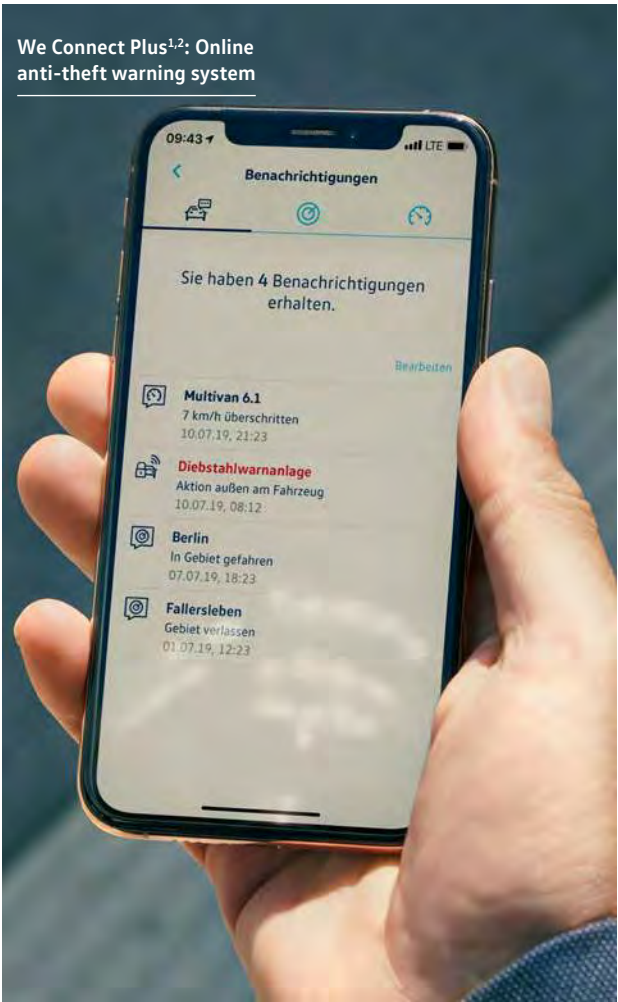

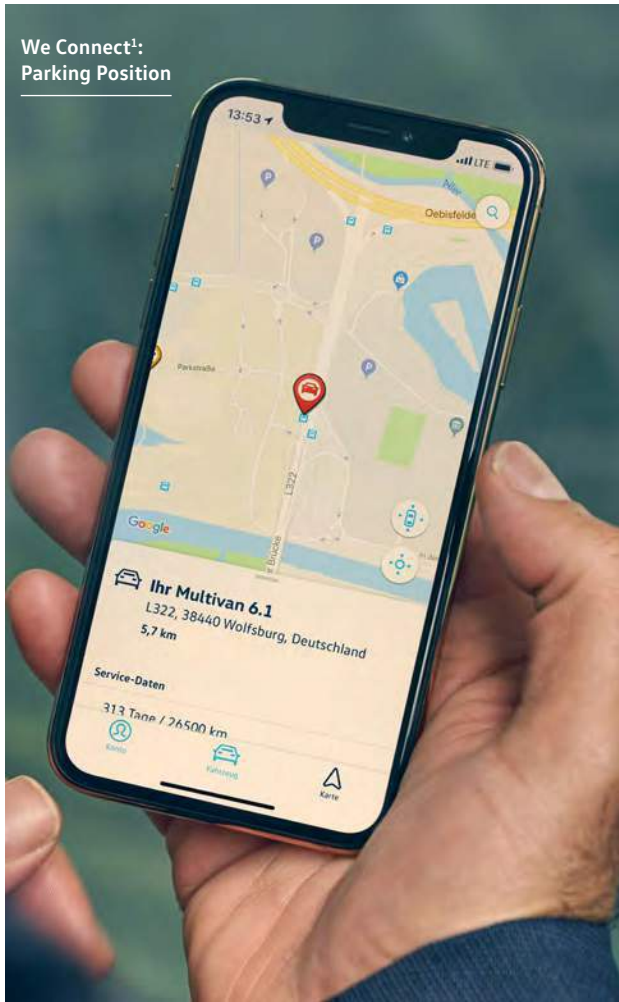

In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

### We Connect Plus <sup>1,2</sup>

- LOCK & UNLOCK**

'Lock & Unlock' allows you to control the central locking system of your vehicle – using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.
- ONLINE ANTI-THEFT ALARM <sup>3</sup>**

Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the 'Online Anti-Theft Alarm' will inform the We Connect app on your smartphone or by email.

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) and can use services free during this time. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at [www.vw.cubictelecom.com](http://www.vw.cubictelecom.com) 3 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. 1 Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

RDE2 refers to Real Driving Emissions Step 2.

1 These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO<sub>2</sub> emissions and driving performance values.

2 Maximum combination weight (vehicle plus trailer load) applies. Maximum gross vehicle weight will vary depending on a number of factors, including optional features, accessories fitted, engine selection and vehicle load. Maximum combination weight and, therefore, maximum gross trailer load is dependent on maximum gross vehicle weight and will vary. Please consult your authorised Volkswagen Van Centre for further information.

3 Unladen weight includes approximately 90% fuel load and 75kg for driver.

4 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers) for normal roof only. Trailer nose weight: 100kg.

# Finance made simple

## As dedicated to finance as we are to your new Transporter 6.1

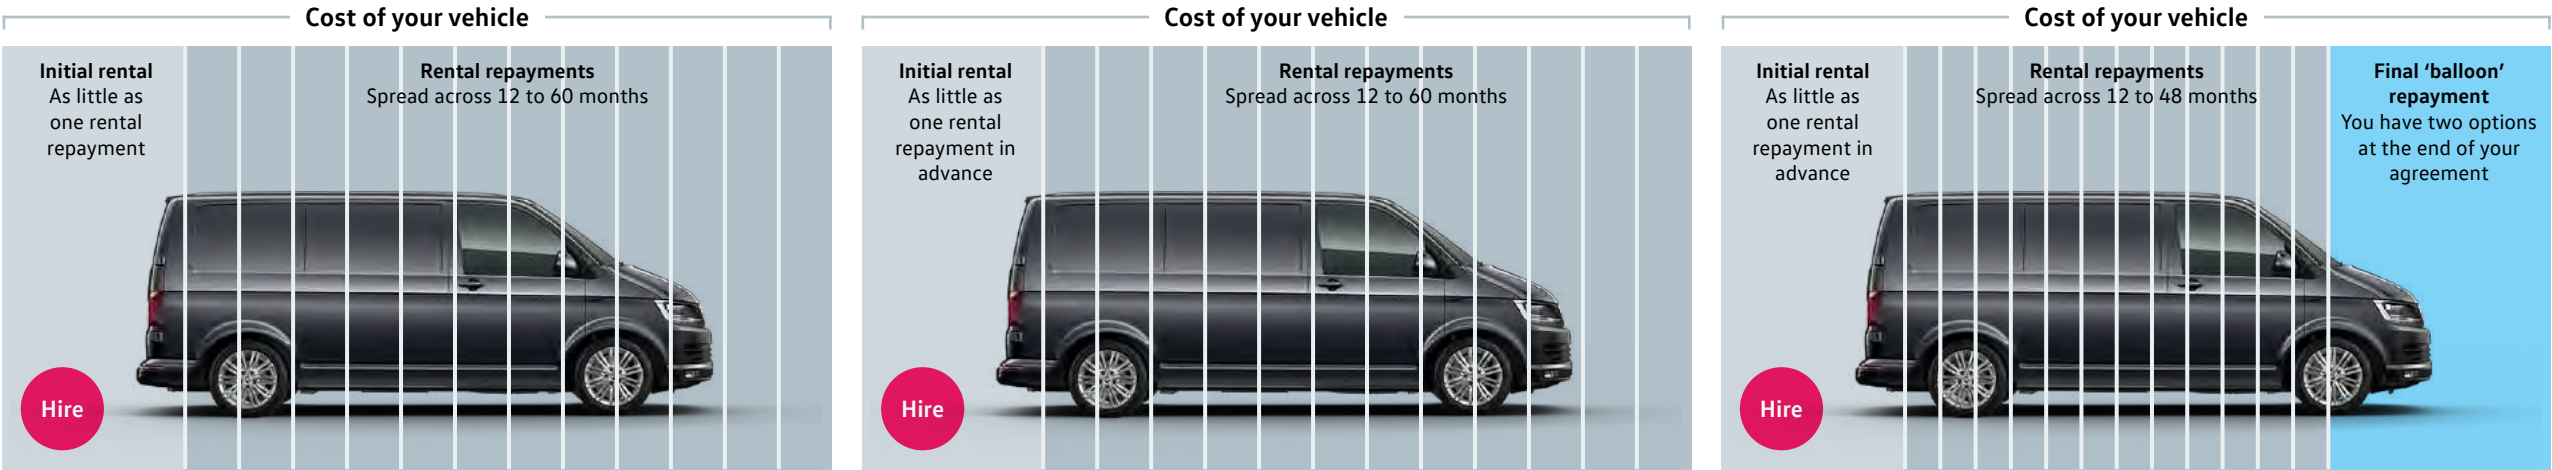

Learn more about our range of finance products to find a finance package that suits your budget. Alternatively, 'Click on' the Offers & Finance button above to find out more about our latest offers to help your business thrive.

**Solutions Personal Contract Plan**  
Not sure if you want to own or hire? Make the decision later. Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

**Hire Purchase**  
Make all the regular monthly payments. At the end the vehicles is yours.

**Lease Purchase**  
Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

**Contract Hire**  
Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

**Finance Lease (full pay out)**  
Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

**Finance Lease (balloon repayment)**  
Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the 'balloon' payment and retain the use of your vehicle by paying a reduced annual rental.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

# Finance, insurance, servicing and warranties

**Finance and insurance.<sup>1</sup>**  
When it comes to paying for your van, we’ve got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard.

**A choice of packages.<sup>2</sup>**  
Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that’s perfect for your business, we’re here to help you consider your options.  
You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

**Volkswagen Commercial Vehicle Van Insurance.<sup>3</sup>**  
**Complimentary Drive Away Insurance**  
Every new and used Volkswagen Commercial Vehicle comes with five days’ complimentary Drive Away Insurance, so you can enjoy your new vehicle from day one. We will also provide you with a quote, giving you the option to purchase annual cover, so you can enjoy the same peace-of-mind for a further twelve months. Please speak to your local Volkswagen Van Centre for further details.

*Subject to eligibility. Five days’ Drive Away Insurance cannot be used in conjunction with any other insurance offer.*

**Annual Insurance**  
Comprehensive van insurance, designed specifically for Volkswagen Commercial Vehicles, to offer you maximum convenience with minimum hassle – just as you’d expect.  
If you take out a new Volkswagen Commercial Vehicle Van Insurance policy you will receive the following benefits at no additional cost:

- All repairs are carried out by Volkswagen Commercial Vehicles’ Trained Technicians in Volkswagen Commercial Vehicles’ Authorised Repairers
- Genuine parts and accessories (excludes windscreen claims)
- Courtesy van while yours is being repaired
- Cover for the full cost of repairs to chips or other small damage to your windscreen
- Up to 90 days’ foreign travel cover, when using your van abroad
- Up to £250 cover for personal belongings that are lost or damaged following an accident, fire or theft

For more information or to get a quote, call us on: **0345 877 6355**

We’re available Monday to Friday 9am-6pm.

Alternatively, visit: **www.insurewithvwcv.co.uk**

**Volkswagen Commercial Vehicle GAP Insurance.<sup>4</sup>**  
If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually settle your claim based on the current market value of your vehicle. This could be substantially less than the original value of your vehicle.

Volkswagen Commercial Vehicle GAP (also known as ‘Guaranteed Asset Protection’) Insurance helps to bridge the payment gap to get you back in a new Volkswagen Commercial Vehicle. Whether you purchase, finance, lease or hire your vehicle, Volkswagen Commercial Vehicle GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle.

For more information about Volkswagen Commercial Vehicle GAP Insurance, visit: **www.insurewithvwcv.co.uk/gap-insurance**

**Servicing and support.**  
We’re here to keep your business moving, with our range of three award-winning<sup>5</sup> servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit: **www.volkswagen-vans.co.uk/aftersales**

**Fixed cost maintenance.**  
This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

**Fixed price servicing.<sup>6</sup>**  
If you can pay for more than one service upfront, we’ll help by reducing your costs. Buy two upfront and you’ll receive one interim and one full service at a discounted rate. Buy four and you’ll receive two interim and two full services, with your next MOT also included. You can also spread the cost with monthly payments, helping you budget<sup>7</sup>.

**Pay on demand.**  
If you’re looking for freedom and flexibility with your servicing, it’s good to know we’re ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

**Roadside Assistance.**  
We understand the need to keep you mobile. That’s why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

**Assistance benefits include:**

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

**Warranties.**  
You can count on us long after you purchase your Transporter, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Transporter is under warranty, we’ll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

For more detail, please visit: **www.volkswagen-vans.co.uk/aftersales**.

**Extended warranty.**  
You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: **www.volkswagencvwarranty.co.uk** where you’ll also be able to obtain a quote and purchase an extended warranty.

**Paint and body warranty.**  
Your Transporter’s exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

**The Van Centre network.**  
Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it’s full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you’re only around 45 minutes on average from our door.

# Accessories

100% safety and security.  
100% Volkswagen.

Add extra style, protection and practicality to your van, while still keeping it 100% Volkswagen.

Accessories allow you to go beyond options and truly customise your van. You might want extra capacity with roof attachments or a tow bar, add cab technology or even convert a work van into a weekend leisure vehicle.

**Keep it 100% Volkswagen.**  
There are big advantages to purchasing approved accessories from us. They have all been designed with your Volkswagen in mind, so they're a perfect match for fit and style. They're built to be rugged, reliable and long-lasting.

Most accessories include a two-year warranty, but the great news is that if you order and fit them when you purchase a new van, we may be able to extend that to three years to match your vehicle's warranty. Ask your Van Centre for more detail.

**Want to discover more?**
