

All-in from Volkswagen Commercial Vehicles* Product Information Guide

Business feels better when you go All-in. We have taken away the need to plan ahead for the main future servicing and repair costs, by creating one simple care package that you can spread across monthly payments. Your Volkswagen Commercial Vehicle's aftercare needs will be carried out by Volkswagen Commercial Vehicle trained technicians using only Volkswagen Commercial Vehicle genuine parts and diagnostic equipment. All-in provides great value and significant savings overall, compared to pay as you go pricing.

So, what do you get?

<p>2 Services</p> <p>Servicing in line with the manufacturer's recommended service schedule:</p> <p>Oil and Inspection Service:</p> <ul style="list-style-type: none"> Oil and filter change Replace pollen filter Full vehicle inspection Full vehicle road test <p>Oil and Inspection Service with Supplementary Scope:</p> <ul style="list-style-type: none"> Oil and filter change Spark Plugs Full vehicle inspection Full vehicle road test Remove wheels and check brakes Check/adjust tension of all drive belts and gearbox oil level. 	<p>2 MOTs</p> <p>To ensure your Volkswagen meets the minimum road safety standards each year. Giving you the support of qualified technicians, 24 hours a day, 7 days a week.</p>
--	--	---	--

Please note that any parts identified as requiring replacement are not covered as part of the services.

If your vehicle's previous Volkswagen Commercial Vehicle UK or Volkswagen Commercial Vehicle Financial Services warranty expired over 30 days ago, then you won't be able to claim in the first 30 days of your All-In Warranty (a "no-claim period"). Effectively, you'll have 23 months where you can make a claim on your warranty. The All-in Warranty does not cover any vehicle already covered under any other guarantee, insurance, warranty and/or gesture of goodwill.

Eligibility

All-in has been designed for vehicles that:

- Are between 3 to 6 years old at point of activation
- Are a Volkswagen Commercial Vehicle with an engine size of 2.0L or less
- Have done under 100,000 miles at point of activation
- Don't have a Warranty or Service Plan already in place

The following vehicles are not eligible for cover:

- Battery electric vehicles
- Vehicles powered by fuel cell or liquid petroleum gas (LPG)
- Public hire/private hire vehicles
- Vehicles with a Service Plan already in place

Benefits

- Peace of mind in the event of a breakdown or unexpected failure
- Prices are fixed at today's rates, protecting you from inflation
- All parts fitted carry a 2 years' parts warranty for added reassurance
- Manage your finances better by avoiding unexpected repair costs with manageable monthly payments
- No need to shop around for these services, making life easier
- Feel confident and safe on the road knowing MOTs are performed by our expert technicians
