# All-in from Volkswagen Commercial Vehicles\*

## Product Information Guide

Business feels better when you go All-in. We have taken away the need to plan ahead for the main future servicing and repair costs, by creating one simple care package that you can spread across monthly payments. Your Volkswagen Commercial Vehicle's aftercare needs will be carried out by Volkswagen Commercial Vehicle trained technicians using only Volkswagen Commercial Vehicle genuine parts and diagnostic equipment. All-in provides great value and significant savings overall, compared to pay as you go pricing.

## So, what do you get?

These tests are included to ensure that your Volkswagen Commercial Vehicle meets the minimum road safety standards each year.</p> <p>For Northern Ireland this product includes 2 MOT pre-checks and 2 MOTs.</p> <p>Additional work identified during the MOT tests is not included.</p>	<p>This warranty has been designed to cover the costs of repairing or replacing the covered components that have suffered a sudden electrical or mechanical failure during the period of cover (excludes no-claim period). Further details are available in the policy wording.</p>	<p>For total peace of mind we have partnered with the AA to provide you with breakdown cover in the UK and Europe, giving you the support of qualified, dedicated technicians 24 hours a day, 7 days a week.</p>

Please note that any parts identified as requiring replacement are not covered as part of the services.

If your vehicle's previous Volkswagen Commercial Vehicle UK or Volkswagen Commercial Vehicle Financial Services warranty expired over 30 days ago, then you won't be able to claim in the first 30 days of your All-In Warranty (a "no-claim period"). Effectively, you'll have 23 months where you can make a claim on your warranty. The All-in Warranty does not cover any vehicle already covered under any other guarantee, insurance, warranty and/or gesture of goodwill.
